STA Moving Forward Projects Quarterly Progress Report

Reporting Period: Q1 - 2024 (as of March 31, 2024)

✓ Project Completed✓ Project in Progress☐ Project Not Started

NOTE: TEXT in red are changes from last reporting period.

Updated to reflect amended timeline and project descriptions approved November 2020

STA Moving Forward November 2020

Extend Saturday night service past 11 pm	
Better weekend service on Wellesley Avenue in North Spokane Add weekday service on Indiana Avenue between Spokane Valley Mall and Greenacres (Phase 1) Additional weekend trips and buses to Airway Heights (Phase 1) New Sunday service on North Nevada Improve reliability for bus service on Division and Sprague Add sidewalks and shelters along North Division (Phase 1) Introduce more mid-day weekday trips along 1-90 between Spokane and Liberty Lake (Phase 1) New Introduce more mid-day weekday trips along 1-90 between Spokane valley Mall and Greenacres (Phase 2) New night and weekend service on Indiana Avenue between Spokane Valley Mall and Greenacres (Phase 2) New night and weekend service to Indian Trail Expand and upgrade maintenance facilities to meet existing and projected growth requirements Construct West Plains Transit Center with Park & Ride at exit 272 on 1-90 (Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing north, business.	
Add weekday service on Indiana Avenue between Spokane Valley Mall and Greenacres (Phase 1) Additional weekend trips and buses to Airway Heights (Phase 1) New Sunday service on North Nevada Improve reliability for bus service on Division and Sprague Add sidewalks and shelters along North Division (Phase 1) Introduce more mid-day weekday trips along 1-90 between Spokane and Liberty Lake (Phase 1) New night and weekend service on Indiana Avenue between Spokane Valley Mall and Greenacres (Phase 2) New night and weekend service to Indian Trail Expand and upgrade maintenance facilities to meet existing and projected growth requirements Construct West Plains Transit Center with Park & Ride at exit 272 on 1-90 Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Coordinating with City of Spokane implementing priority, Introduced 7.5-minute frequency durin honors.	
Additional weekend trips and buses to Airway Heights (Phose 1) Additional weekend trips and buses to Airway Heights (Phose 1) New Sunday service on North Nevada Improve reliability for bus service on Division and Sprague Add sidewalks and shelters along North Division (Phose 1) Introduce more mid-day weekday trips along 1-90 between Spokane and Liberty Lake (Phose 1) Nights and weekend service on Indiana Avenue between Spokane Valley Mall and Greenacres (Phose 2) New night and weekend service to Indian Trail Expand and upgrade maintenance facilities to meet existing and projected growth requirements Construct West Plains Transit Center with Park & Ride at exit 272 on 1-90 (Phose 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phose 2) Torrect service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phose 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority, Introduced 7.5-minute frequency durin horus.	
New Sunday service on North Nevada Improve reliability for bus service on Division and Sprague Add sidewalks and shelters along North Division (Phase 1) Introduce more mid-day weekday trips along I-90 between Spokane and Liberty Lake (Phase 1) Nights and weekend service on Indiana Avenue between Spokane Valley Mall and Greenacres (Phase 2) New night and weekend service to Indian Trail Expand and upgrade maintenance facilities to meet existing and projected growth requirements Construct West Plains Transit Center with Park & Ride at exit 272 on I-90 (Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined	
New Sunday service on North Nevada Improve reliability for bus service on Division and Sprague Add sidewalks and shelters along North Division (Phase 1) Introduce more mid-day weekday trips along I-90 between Spokane and Liberty Lake (Phase 1) Nights and weekend service on Indiana Avenue between Spokane Valley Mall and Greenacres (Phase 2) New night and weekend service to Indian Trail Expand and upgrade maintenance facilities to meet existing and projected growth requirements Construct West Plains Transit Center with Park & Ride at exit 272 on I-90 (Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority, Introduced 7.5-minute frequency durin priority. Introduced 7.5-minute frequency durin	
Add sidewalks and shelters along North Division (Phase 1) Introduce more mid-day weekday trips along I-90 between Spokane and Liberty Lake (Phase 1) Nights and weekend service on Indiana Avenue between Spokane Valley Mall and Greenacres (Phase 2) New night and weekend service to Indian Trail Expand and upgrade maintenance facilities to meet existing and projected growth requirements Construct West Plains Transit Center with Park & Ride at exit 272 on I-90 (Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing profess, Introduced 7.5-minute frequency durin profess, Introduced 7.5-minute frequency durin profess.	
Introduce more mid-day weekday trips along I-90 between Spokane and Liberty Lake (Phase 1) Nights and weekend service on Indiana Avenue between Spokane Valley Mall and Greenacres (Phase 2) New night and weekend service to Indian Trail Expand and upgrade maintenance facilities to meet existing and projected growth requirements Construct West Plains Transit Center with Park & Ride at exit 272 on I-90 (Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Oconstruct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined	
Nights and weekend service on Indiana Avenue between Spokane Valley Mall and Greenacres (Phase 2) New night and weekend service to Indian Trail Expand and upgrade maintenance facilities to meet existing and projected growth requirements Construct West Plains Transit Center with Park & Ride at exit 272 on I-90 (Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Onstruct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency durin hours.	
And Greenacres (Phase 2) New night and weekend service to Indian Trail Expand and upgrade maintenance facilities to meet existing and projected growth requirements Construct West Plains Transit Center with Park & Ride at exit 272 on I-90 (Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority, Introduced 7.5-minute frequency durin hours.	
Expand and upgrade maintenance facilities to meet existing and projected growth requirements. Construct West Plains Transit Center with Park & Ride at exit 272 on I-90 (Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency durin hours.	
growth requirements Construct West Plains Transit Center with Park & Ride at exit 272 on I-90 (Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency durin hours.	
Construct West Plains Transit Center with Park & Ride at exit 272 on I-90 (Phase 1) Construct Moran Station Park & Ride Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Plan and construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing hours.	
Implement initial HPT: Monroe-Regal Line improvements with more sheltered stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency durin hours.	
Stops Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Occupance of Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency during hours.	
Create new south commuter express from Moran Station Park & Ride Plan and construct Spokane Community College Transit Center at SCC Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency during hours.	
Construct West Plains Transit Center interchange improvements (Phase 2) Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency durin hours.	
Direct service between Airway Heights and Medical Lake via WPTC Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency durin hours.	
Add larger buses to North Division routes (Phase 2) Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency during hours.	
Improved routes/frequency to Hillyard Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency during hours.	
Add and improve service in West Central Spokane Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency during hours.	
Central City Line (CCL) opens and Plaza bus operations are streamlined Central City Line (CCL) opens and Plaza bus operations are streamlined Coordinating with City of Spokane implementing priority. Introduced 7.5-minute frequency during hours.	
Central City Line (CCL) opens and Plaza bus operations are streamlined priority. Introduced 7.5-minute frequency during hours.	
2	-
Implement HPT: Cheney Line service Construction work complete and amenities instaction connections for amenities completed.	lled. Electrical
Improve West Plains Rural Highway Stops	
Provide improved amenities and infrastructure for HPT: Sprague Line service Phase 1 construction underway, Phase 2 design with planned construction in late 2024	s complete
Direct, non-stop peak hour service between Liberty Lake and Spokane (I- 90/Valley HPT service element)	
Additional weekday trips and buses to Airway Heights (<i>Phase 2</i>)	
Direct service between Logan and Lincoln Heights neighborhoods Construct a new Mirabeau Transit Center (I-90/Valley HPT Infrastructure) Design is complete, construction begins in sumn	2024
Expand commuter parking capacity east of Sullivan Road (Barker to Stateline) (J-	ier 2024
90/Valley HPT Infrastructure)	
Introduce more nights and weekend service along I-90 between Spokane and Liberty Lake (Phase 2)(I-90/Valley HPT service element)	
As a cross-state partnership, create an extension of HPT: I-90/Valley to Post Falls (ID) and Coeur d'Alene (ID) on a two-year pilot basis
